## Program Chair

*"I have been on the DSASTX Board for five years. I worked in the field of developmental disabilities for 45 years (5 years at Bexar County MHMR Center and 40 years at The Arc). I wanted to continue to be involved in the community. Steve Enders was the former CEO at The Arc and a Board member at the DSASTX. He asked me if I would be interested in serving on the Board...and I said yes!"*

*What I enjoy most about being on this Board is interacting with the individuals with Down syndrome and their families and working with fellow Board members and the staff. It is GREAT to be a part of such a dedicated organization. I am looking forward to the DSASTX's 30th Anniversary in 2024!"*
