

A.B. Cruz III

Vice Chair

"My name is A.B. Cruz, and I currently serve and have the honor of serving as the Vice Chairman of the Board of Directors for the Down Syndrome Association of South Texas. I was introduced to the organization, probably about five or six years ago by a friend of mine, who suggested that I just take a look at this opportunity. I just retired from USAA and was looking for some local boards here in San Antonio that I might be able to add value and contribute to, and so, I was introduced to the Down Syndrome Association of South Texas. I met some great people. I spent some time at their office and got to see the good things that they do and I've kind of fell in love with the organization.

When I was invited to join the DSASTX Board, I jumped on the opportunity! I think I'm in my second term at this point and it is very rewarding that I can give back to this community. I very much I enjoy being on the DSASTX Board."
